

# SHIVA BHUSAL

## FRONTEND DEVELOPER | WEB DESIGNER

Anamnagar, Kathmandu | bhusalshiva010@gmail.com | www.shivabhusal.com.np

### SUMMARY

Experienced in building custom full-stack web applications using modern JavaScript. Skilled in creating responsive UIs with React and secure, high-performance APIs with Node.js/Express. Focused on great UX, clean code, and delivering scalable solutions with effective team collaboration.

### PROFESSIONAL EXPERIENCE

#### WordPress Developer Intern — DropHills Pvt. Ltd.

May 2025 – Present

Contributed to frontend and WordPress development, building clean, responsive interfaces and supporting 15+ client projects. Collaborated with designers and a cross-functional team to deliver dynamic, user-focused features on time.

#### Web Design & Development Intern — DropHills Pvt. Ltd.

March 2025 – May 2025

Designed intuitive, user-friendly UI/UX to improve usability and visual appeal. Revamped websites into modern, mobile-optimized platforms, boosting engagement. Collaborated with developers to ensure smooth design-to-functionality integration across all devices.

### PROJECTS

#### Bike Management Website

- Built a responsive car listing platform using React
- Implemented dynamic car detail pages with smooth UI interactions
- Focused on clean, component-based architecture and mobile-friendly design

#### Library Management System

- Developed a basic library management system using HTML, CSS, JavaScript, PHP, and MySQL
- Enabled users to add, view, issue, and return books
- Focused on a simple, user-friendly interface and smooth CRUD operations

#### Car Listing Website

- Built a responsive car listing platform using React
- Implemented dynamic car detail pages with smooth UI interactions
- Focused on clean, component-based architecture and mobile-friendly design

#### 15-Day JavaScript Code Challenge

- Completed a 15-day self-paced JavaScript coding challenge
- Built multiple mini projects using core JavaScript
- Improved logic-building, DOM manipulation, and problem-solving skills

### EDUCATION

#### Bachelor in Information Technology (CSIT)

PMC College, Tribhuwan University

Expected Graduation: Dec. 2026

**Coursework:** Advanced Web Development,  
Database Management,  
Software Engineering

**Projects:** Developed various semester-wise projects in C, C++, C#, JavaScript, Java, PHP, etc. including a two-way chat application.

### TECHNICAL SKILLS

HTML & CSS	JAVASCRIPT
RESPONSIVE DESIGN	TYPESCRIPT
FIGMA	REACT JS
